Note that in order for a student to successfully transfer to an Oregon public university, students must: 1) earn a grade of a "C -" or better in courses in the major; 2) take courses in the major for a grade—they will not be accepted as "pass/no pass"; and 3) earn a cumulative grade point average of 2.0. Students must also regularly meet with an advisor. Students are strongly encouraged to: 1) seek advising before registering for their first term of community college; 2) seek advising after they have completed the 27-35 credits of the Core Transfer Map; and 3) seek advising and meet with a transfer coordinator before registration opens at the beginning of the students second year in college. Students should also be aware that if they want to complete this Major Transfer Map in two years, they should take an average of 45 credits per year (average of 15 credits per quarter). Finally, to earn an associate degree, students will need to successfully complete at least 90 credits. NOTE: A Maximum of 12 credits can be Career Technical Education courses; A Maximum of 9 credits can be from courses labeled 199/299; A Maximum of 24 credits can be ESOL; A Maximum of 24 credits can be "P" grades; and, A Maximum of 21 credits can be from Credit for Prior Learning (CPL).
