

# Emergency Medical Services Certificate

## Overview

This program is designed to instruct students at the level of Emergency Medical Technician (EMT). EMT's are a vital member of the healthcare team, assessing and caring for sick or injured patients in the prehospital and hospital environment. Upon successful completion of the program, students are eligible to take the National Registry EMT certification exam and apply for licensure with the State of Oregon.

## Certificate Learning Outcomes

Students who successfully complete this certificate will be able to:

1. Act in accordance with the ethical and professional medical standards of the entry level EMT Basic.
2. Demonstrate the professional and technical skill set necessary in emergency situations in an EMT Basic capacity.
3. Demonstrate effective communication, cultural competency, and emergency intervention skills for people in crisis.
4. Pass the National Registry EMT certification exam and apply for licensure with the State of Oregon.

<b>Career Pathway Certificate: Emergency Medical Services</b> TBCC guarantees, at a minimum, the following courses each quarter for the completion of this Career Pathway Certificate. A student can transfer in or take other courses that meet the requirements, though this is discouraged.
